## **ACKNOWLEDGEMENTS:**

**Jim & Pierson Miller** – Thank you both for your constant support. I appreciate your patience with my crazy schedule and your willingness to help with all of the endless studio projects. I love you to all infinities!

**Robert, Margaret, & Cat Samson** – I am grateful for your support and encouragement. I appreciate all you do for me and my family. Mom & Dad - everything you all do does not go unnoticed - after school duty with Pierson, helping with studio projects, tech support, costume alterations, and so much more. Cat - thank you for being my person to vent to, for answering all of my accounting questions, and for being our official SDC math tutor.

**Joanna Bennett** – Thank you for always being my sounding board, cheerleader, and voice of reason. SDC wouldn't be what it is, and I certainly wouldn't be where I am, if not for your many years of mentorship, love, and support.

**Roy Jackson** - Thank you for taking our company girls under your wing this year! Not only have you poured into training them, but you have become part of our dance family! We appreciate all that you do!

**Cuban Petes** – Thank you so much for dancing with your girls and for creating this memory. You all were so much fun to work with and were all such great sports! Your daughters will remember this time spent with you forever!

**SDC Flooring Crew** - It's not often I ask for help but when I did, you all showed up big time. Thank you for all of your help and for being willing to lend a hand. You guys are the BEST!

**Staff & Assistants** – Thank you all for your dedication to our students and for your many years of trust. I feel confident that we have the best team around and I am fortunate to work alongside each of you. The studio's growth and our students' successes are a testament to each of you.
